WHO BENEFITS

ABOUT KCIL

Kids' Chance of Illinois (KCIL) is a mission-driven nonprofit that steps in where families are often left struggling. When a parent in Illinois is critically injured—or worse—in a workplace accident, education for their kids can easily slip out of reach. KCIL bridges that gap by providing post-secondary and trade-school scholarships to children in these circumstances, helping ensure they can pursue their educational goals despite hardship.

KCIL is more than just a scholarship fund—it operates as part of a broad coalition that includes employers, insurers, labor groups, medical providers, attorneys, and state government, all working together to support these families. Since launching, KCIL has awarded over \$660,000 in scholarships to deserving students.

SOME OF OUR STUDENTS

Whether you're looking to apply, share their mission, or support their efforts, KCIL makes it clear: families who've faced injury and loss deserve a pathway to opportunity—and KCIL is there to help light that way.
